Dear Slavens School Community,

The FOSS Board of Directors would like to thank you for your financial contributions during the 2016/17 school year. As you know, our school is only as strong as the community that supports it. Without your help, we would not have been able to complete our gift-giving puzzle. Thanks to your generosity we are able to offer continued funding to our incredible STEM, art, music and band curriculum.

These programs set our school apart from many others in DPS and we are truly grateful for your continued support. It is a community like ours that sets our school apart and offers our children a truly enriching educational experience.

Thank you again,

Friends of Slavens School Board
