FOSS Annual Report 2015-16

Dear Slavens School community,

The FOSS Board of Directors thanks you for your financial support during the 2015/16 school year. Because of your generosity, FOSS was able to contribute to the success of our school in many ways, including providng funds for STEM instruction and program support, band scholarships, Art and Music supplies, and Spanish materials.

Your spirit of giving is truly appreciated. Without your continued participation, involvement and support, these enriching programs, which set our school apart from most other public schools, would not exist at Slavens. The fact that students are able to continue to receive a well-rounded education is one of the reasons we choose to send our chiildren to this award-winning school.

With sincere gratitude,

Amy Long   David May
President   Treasurer
